Description

A refined set of six Royal Brierley etched crystal red wine glasses in the elegant Honeysuckle pattern. Each glass has a generous bowl, beautifully decorated with a delicate trailing honeysuckle design, finely etched into the crystal to create a subtle play of light and texture.

The pattern combines the timeless appeal of clear crystal with graceful botanical ornament, making these glasses equally suited to traditional and contemporary table settings. Their elegant proportions have been designed to enhance the enjoyment of red wine, while the crisp etched decoration lends a sense of occasion to every pour.

Royal Brierley is one of Britain's best-known names in quality crystal glassware, long admired for its craftsmanship and sophisticated designs. This matching set is ideal for entertaining, as a thoughtful wedding or anniversary gift, or as an addition to an existing Royal Brierley collection.

A handsome and practical set of six, bringing classic British crystal to the dining table.
