REF: 1079

Height: 74 cm (29.1")

Diameter: 54 cm (21.3")

Description

Relive the glory days of the 'Grand Tour' with this stunning 19th century ebonized grand tour occasional table.

The pietra dura top is likely to have been purchased as a souvenir of a grand tour of Europe and is richly decorated with a bird perched on a flowering branch. The ebonized base and gilt gallery would have been added by a British craftsman on its return to the United Kingdom. All in all a stunning example if its type.
