REF: 6303

Height: 12 cm (4.7")

Diameter: 7 cm (2.8")

Description

An early 19th century etched toasting glass on a heavy foot, circa 1810

Toasting glasses are specially designed stemware used during celebratory occasions to raise a toast. Often slender and elegant, these glasses enhance the experience of drinking champagne, wine, or spirits. Traditionally associated with weddings, anniversaries, and festive gatherings, toasting glasses symbolise goodwill, unity, and shared joy among participants.
