Description

18ct white gold Ceylon sapphire and brilliant cut diamond cluster ring, circa 1950.

Ceylon sapphires, renowned for their vivid blue hue and clarity, are often paired with brilliant cut diamonds in fine jewellery. The brilliant cut, with its precise facet arrangement, maximises a diamond's sparkle, complementing the deep, rich colour of Ceylon sapphires. Together, they create a striking, luxurious combination in high-end designs.

UK ring size N
