

Striking 1960s hand made silver and cornelian statement necklace

£245

Description

Striking 1960s hand made silver and cornelian statement necklace.

Carnelian, a variety of chalcedony, is valued for its rich orange to reddish-brown hues. Used in jewellery and carvings for centuries, it symbolises courage and vitality. Ancient civilisations prized it for amulets and seals, while its warm, earthy tones continue to evoke a sense of strength and creativity.
